

Amerisure's **WORKPLACE WELLNESS** Program

Employee health affects your company's bottom line. Because employees spend most of their waking hours at work, the workplace is an ideal setting to promote health and wellness through a Workplace Wellness Program.

Did you know?

Every 5 seconds...
...a worker is injured

Every 10 seconds...
...a temporary or permanent disability occurs

Amerisure is committed to helping our policyholders prevent injuries on the job. Improved nutrition, personal fitness and smoking cessation among employees can be a vital element in an employer's workplace wellness program.

A healthier workforce brings:

- ✓ Higher productivity
- ✓ Fewer work days missed
- ✓ Lower health insurance costs
- ✓ Reduced work-related injuries
