

More than 100 years of specialized expertise and service second to none have made us the preferred choice for today's construction businesses. We understand the different exposures encountered every day in the industry — from jobsite injuries and stolen equipment, to vehicular accidents and more. We offer superior service that keeps businesses free from costly interruptions, including customized risk management planning and claim service that is truly second to none.

- ▶ Loss Runs
- ▶ Industry Benchmarking Data
- ▶ Marketing Materials
- ▶ Training Content

SOLUTIONS

With a suite of comprehensive construction solutions, we make it easy for contractors to ensure they have the right coverage. Our preferred construction solutions include:

Workers' Compensation

Our risk managers work closely with businesses to pro-actively prevent loss through innovative technology and a consultative approach.

We also offer claim cost reduction programs, supported by our industry leading claims adjusters, and a managed care approach to workers' compensation.

Amerisure Contractors Advantage Program®

Our Contractors Advantage Program (CAP) tailors coverage, allowing contractors the flexibility to choose from an extensive list of options.

Advanced Risk

We provide special risk products that can be customized to fit the needs of construction companies that want to participate in advanced risk sharing. Our loss sensitive rating products include:

- ▶ Paid Loss Cash Flow Programs
- ▶ Pre-Funded Deductible
- ▶ Retrospective Rating Plans

For Amerisure's target SIC codes in construction, please see the back of this page.
