AMERISURE IS ONE OF THE BEST PLACES TO WORK IN INSURANCE

FARMINGTON HILLS, Mich., November 11, 2020 — Amerisure Mutual Insurance Company is one of the *Best Places to Work in Insurance* again! This honor is bestowed by *Business Insurance* magazine and Best Companies Group. This year, Amerisure made the list for the ninth time and was ranked seventh in the medium employer category which is six spots higher than the company's 2019 ranking of 13 in the same category.

The annual *Best Places to Work in Insurance* list is determined by a two-part evaluation process. First, each nominated employer completes a survey regarding workplace policies, practices and demographics. Second, employees at the nominated company complete a survey about their respective organization. The combined survey scores determine the top companies and their rankings.

“Our exceptional employees play an integral role in the success of the company,” said Erin Buddie, Amerisure’s Vice President of Human Resources. “This award is reflective of the dedication and passion our employees have for making Amerisure an outstanding place to work, and it is a true reflection of Amerisure’s values in action. We look forward to many more years of attracting and retaining talent through our standing as a great place to work.”

In addition to the 2020 *Best Places to Work in Insurance* award, Amerisure has also been recognized as one of the Best and Brightest Companies to Work For® in Atlanta and Metropolitan Detroit.
