## AMERISURE'S ATLANTA CORE SERVICE CENTER EARNS ATLANTA'S BEST AND BRIGHTEST COMPANIES TO WORK FOR® RECOGNITION FOR FIFTH CONSECUTIVE YEAR

**FARMINGTON HILLS, Mich., May 30, 2019** — Flexible healthcare benefits, retirement savings plans and tuition reimbursement — Amerisure has it all. These benefits are just a few of the reasons the company's Atlanta Core Service Center (CSC) has been recognized as one of Atlanta's Best and Brightest Companies to Work For® for the fifth consecutive year.

The award, presented by the National Association for Business Resources (NABR), is given to companies who were judged by an independent firm on criteria, such as:

- Compensation
- Benefits
- Employee enrichment
- Engagement
- Recruitment
- Employee achievement and recognition
- Community initiatives
- Work-life balance
- Employee education

Amerisure scored highly in all these categories, particularly employee education. The company encourages employees to continuously grow professionally and develop their skills.

“Amerisure's skills, training and education program allowed me to earn my Certified Workers' Compensation Professional certification,” said Tammy Tolbert, an Atlanta-based claims specialist. “I was exposed to new material and refreshed on day-to-day operations through this course. It enhanced my knowledge and I can use these skills to better serve our partner agencies and policyholders.”

The NABR focuses on developing the business community and providing employees the best opportunities and benefits. Their national program showcases companies that create better business, richer lives, and strengthened communities. Amerisure was selected to receive this recognition among hundreds of businesses in metro Atlanta.

Amerisure has also been named a Metropolitan Detroit 101 Best and Brightest Company to Work For® 13 times and a Best and Brightest Company to Work For in the Nation® four times.

The Atlanta CSC will be honored at an event on June 20 at the JW Marriot Atlanta Buckhead. To see the full list of honorees, [click here](#).
