Amerisure One of the 2017 Best Places to Work in Insurance

Sixth consecutive appearance on the list published by Business Insurance® magazine

FARMINGTON HILLS, Mich., Nov. 15, 2017— For the sixth time, Amerisure Mutual Insurance Company received the *Best Places to Work in Insurance* award from *Business Insurance* magazine and Best Companies Group. Amerisure ranked seventh in the medium employer category.

The competition is based on a two-part evaluation process. First, each nominated employer completes a survey regarding workplace policies, practices and demographics. The second part consists of an employee survey. The combined scores determine the top companies and the final rankings based on eight core areas of focus:

- Corporate culture and communications
- Leadership and planning
- Overall engagement
- Pay and benefits
- Relationship with supervisor
- Role satisfaction
- Training, development and resources
- Work environment

“We are honored to be recognized as one of the best places to work in insurance for the sixth consecutive year,” said Angela McBride, Chief Administrative Officer. “Receiving this award is a testament to our greatest strength, our exceptional employees. Our employees work hard to give life to the service culture we value so much, and this award shows that it truly sets us apart in the industry.”

In addition to the *2017 Best Places to Work in Insurance* award, Amerisure’s Farmington Hills and Atlanta Core Service Centers have also been recognized by the *101 Best and Brightest Companies to Work For*® this year.
