Amerisure Named a Super Regional Property/Casualty Insurer™

FARMINGTON HILLS, Mich., August 9, 2018 — For the 12th consecutive year, Amerisure has been named a Super Regional Property/Casualty Insurer by *Insurance Journal* magazine. Amerisure Insurance Company and Amerisure Mutual Insurance Company have consistently been on the list since it began in 2007. The distinguished list of leading multi-state property/casualty insurers can be found in the magazine's [July 2, 2018 issue](#).

Super Regional Insurers are identified by Demotech Inc., the official research partner of *Insurance Journal*, using data as of December 31, 2017. Reporting data and direct written premium were some of the qualifying criteria used to evaluate the companies on the list.

“This recognition illustrates how Amerisure’s powerful partnerships with our Partners For Success® agencies inspire mutual operational and strategic success,” said Matt Ford, Amerisure’s Vice President of Field Marketing and Underwriting. “We are honored to once again earn a place on the Super Regional Property/Casualty Insurer list. Our inclusion is reflective of our increased premium. In 2018, we are expected to have approximately \$850 million by the end of the fiscal year.”
