## **Amerisure's 401(k) Savings Plan Named One of Metro Detroit's Top 25 Plans**

**Farmington Hills, Mich., May 7, 2015**—Amerisure Insurance Company's 401(k) savings plan has been named one of Metro Detroit's Top 25 Plans. Brightscope, a financial information company bringing transparency to markets through independent research and analysis, recently announced its ranking of Detroit-area companies with 401(k) plans containing more than \$100 million in assets. Twenty-five companies were cited for having the best plans, and Amerisure, a newcomer to the list, ranked at number 15.

The independent rating, called The BrightScope Rating™, reviews more than 200 unique data inputs per plan before calculating a numerical score which defines the overall plan quality. Not only was Amerisure's plan named one of the top 25 of all Detroit-area companies, it is also in the top 15 percent of plans for account balances, participation rates, salary deferrals and total plan cost.

"This independent recognition of our 401(k) Savings Plan being among the best in Detroit brings to mind our Employee Value Proposition and why we consider compensation and benefits part of our overall success," said Angela McBride, Amerisure Chief Administrative Officer. "Retirement savings are important and we are confident our plan is the right plan for helping our more than 700 employees' investments to grow."

Amerisure's 401(k) Savings Plan currently has more than 900 active participants and over \$120.7 million in plan assets.
