Amerisure Named a *2015 Best Places to Work in Insurance* for Fourth Consecutive Year

Farmington Hills, Mich., Nov. 23, 2015—Amerisure Mutual Insurance Company is the recipient of the *2015 Best Places to Work in Insurance* award by *Business Insurance*® magazine and Best Companies Group.

“Receiving this award recognizing companies considered the best places to work in insurance is an honor,” said Angela McBride, Chief Administrative Officer with Amerisure. “To be recognized for the fourth consecutive year is a testament to our employees who are our greatest strength. Every employee works hard to give life to the service culture we value, and this award shows that it truly sets us apart in the industry.”

Best Places to Work is a joint effort of *Business Insurance* magazine and Harrisburg, Pa.-based Best Companies Group. The competition, which involves an in-depth evaluation, is based on a two-part survey to determine the best places to work in insurance. The first part involves evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consists of an employee survey to measure the employee experience. The combined scores determined the top companies and the final rankings. Amerisure ranked seventh in the medium employer category (250 - 999 U.S. employees).

In addition to receiving the *2015 Best Places to Work in Insurance* award, Amerisure has also been honored with the *2015 Metropolitan Detroit's 101 Best and Brightest Companies to Work For*® award for the 11th time, and Amerisure's Atlanta location won the *2015 Atlanta's Best and Brightest Companies to Work For*® award.

Amerisure has more than 700 employees located throughout the United States.
