Amerisure Named *2014 Best Places to Work in Insurance* for Third Consecutive Year

Farmington Hills, Mich., Oct. 3, 2014—Amerisure Mutual Insurance Company is the recipient of the *2014 Best Places to Work in Insurance* award by *Business Insurance* magazine and Best Companies Group.

“This is the third consecutive year Amerisure has received the award honoring companies considered the best places to work in insurance,” said Angela McBride, Chief Administrative Officer at Amerisure. “Receiving this award is a strong endorsement to our current and future employees showing what sets us apart within the industry. Our employees remain our greatest strength and give life to the service culture we value so much.”

Best Places to Work is a joint effort of *Business Insurance* magazine and Harrisburg, Pa.-based Best Companies Group. The competition, which involves an in-depth evaluation, is based on a two-part survey to determine the best places to work in insurance. The first part involves evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consists of an employee survey to measure the employee experience. The combined scores determined the top companies and the final rankings. Amerisure ranked seventh in the medium employer category.

In addition to receiving the *2014 Best Places to Work in Insurance* award, Amerisure has also been honored with the *2014 When Work Works Award*, *2014 Metropolitan Detroit's 101 Best and Brightest Companies to Work For* and the *2014 Top Workplaces Award* from the *Tampa Bay Times*.

Amerisure has more than 700 employees located throughout the United States.
