FARMINGTON HILLS, Mich., September 3, 2019 — This marks the 15th year Amerisure has been named to Metropolitan Detroit's Best and Brightest Companies to Work For® list! The company was chosen by the Michigan Business and Professional Association (MBPA), from among hundreds of southeastern Michigan businesses to receive this prestigious honor.

Amerisure was chosen based on key measures in the following categories:

- Compensation
- Benefits
- Employee enrichment
- Engagement
- Recruitment
- Employee achievement and recognition
- Community initiatives
- Work-life balance
- Employee education

Businesses who score highly in these categories, and make the list, are celebrated for their commitment to cultivating better business, creating richer lives and building a stronger community as a whole.

“Amerisure’s exceptional employees are the reason we’ve been named to this prestigious list 15 times,” said Erin Buddie, Amerisure’s assistant vice president of human resources operation. “This honor showcases the quality of our team, and how well we collaborate across generations to create a culture of passion. It’s remarkable how past, current and future talent has upheld such a high standard of quality work for so many years. We look forward to continuing this momentum for many years to come.”
