Amerisure Companies' A (Excellent) Rating Reaffirmed by A.M. Best

Farmington Hills, Mich., Aug. 18, 2016—For the 17th consecutive year, A.M. Best announced it has reaffirmed the financial strength rating of Amerisure Companies as A (Excellent) with a stable outlook. Amerisure received the rating based on its balance sheet strength, operating performance and business profile.

“Amerisure continues to be financially strong and focused on providing service second to none to our *Partners for Success*[®] agencies and our policyholders,” said Greg Crabb, President and Chief Executive Officer, Amerisure. “This announcement reflects A.M. Best’s recognition of our business strategy and the ongoing commitment of excellence from our exceptional employees.”

According to A.M. Best, “The ratings reflect the group's strong risk-adjusted capitalization, long term operating profitability, improved underwriting performance, and prudent reserving practices. These factors reflect Amerisure's regional operating strategy writing commercial insurance for mid-market accounts, with value-added loss control and risk management services delivered via strategically located Core Service Centers throughout the Midwestern, southwestern and southern United States.” Amerisure is licensed in all 50 states and has surplus in excess of \$875 million.
