Amerisure Named One of the Best Places to Work in Insurance

FARMINGTON HILLS, Mich., November 20, 2018— Amerisure Mutual Insurance Company is once again listed as one of the *Best Places to Work in Insurance* according to *Business Insurance* magazine and Best Companies Group. The A-rated (Excellent) carrier has received this honor seven times. This year, Amerisure ranked 10th in the medium employer category.

“When Amerisure is recognized with a workplace reward, it’s a reminder of how each of our exceptional employees plays an integral role in the operational and strategic success of the company,” said Angela McBride, chief administrative officer. “This award reflects the dedication and passion of our current workforce. We look forward to maintaining, and growing, our engaged team in the years to come.”

The annual *Best Places to Work in Insurance* list is determined by a two-part evaluation process. First, each nominated employer completes a survey regarding workplace policies, practices and demographics. Second, employees at the nominated company complete a survey about their respective organization. The combined survey scores determine the top companies and their rankings.

Amerisure consistently scores highly in the eight core areas of focus:

- Corporate culture and communications
- Leadership and planning
- Overall engagement
- Pay and benefits
- Relationship with supervisor
- Role satisfaction
- Training, development and resources
- Work environment

In addition to the *2018 Best Places to Work in Insurance* award, Amerisure has been recognized as one of the Best and Brightest Companies to Work For® in Atlanta, Detroit and nationwide.
