## Amerisure Earns Spot on Crain's Fast 50 List

**Farmington Hills, Mich., August 29, 2014**—Amerisure Mutual Insurance Company announces it has earned a spot on *Crain's Detroit Business*' Fast 50 list. This is the first time Amerisure has been recognized on the list ranking the fastest growing private and publicly traded companies in Southeast Michigan.

"As a newcomer on the list, we are honored to be acknowledged as one of Southeast Michigan's fastest growing companies," said Greg Crabb, President and CEO with Amerisure. "This achievement would not be possible without the dedication of our employees who deliver on our operational and strategic initiatives each day."

According to *Crain's*, the Fast 50 list is based on a ranking of companies in the publication's database of private and publicly traded companies in two ways: by dollar amount of revenue growth between 2010 and 2013 and by percentage revenue growth during that same period. The two rankings were added together to create the list; the lower the number, the higher the final rank.

Amerisure earned its spot on the list based on the growth the company has seen in recent years.
